Drive Opens On Overload Trucks In This District

Eight Out Of 25 Checked Found To Be In Violation

During the first two days of a drive by the California Highway Patrol to prevent further damage to local highways by overloaded vehicles, eight out of 25 logging trucks weghed were found with excessive loads and more than 29,000 pounds were unloaded.

Captain George Peterkin, in charge of the Placer Area squad, has instructed local officers to continue the drive indefinitely and to include all vehicles. All of the trucks found in violation thus far have been from Reno and Sacramento, State Patrolman William Gautsche said.

Five of the 25 trucks examined had faultyequipment and two attempting to turn around to get on the scales near the Tuckee-Tahoe Wye snapped couplings and spilled loads of logs on the highway These two trucks were owned by Archie Landon of Sacramento and Richard Hedges of Reno who were fined $25 each by Justice of the Peace Fosten Wilson.

The patrol reported that both the public and the state legislature are gravely concerned with treatment given the highways by violators and that strong measures will be taken to curb the overloading. None of the local trucks have been found in violation so far, Gautsche said.

To assist in the campaign two new scales are being installed, one at the Tahoe Wye and the other at the quarantine station, according to the patrol.

Patrolmen are concentrating on overweight, faulty equipment and illegal loading as well as excessive speed.

BURKHART DIES SATURDAY AT COUNTY SEAT

Funeral services were pending for Fred Burkhart, Truckee resident, who died last Saturday at 11:30 a.m. at the Nevada County Hospital where he had been a patient since May 3.

He was a native of Missouri, born February 26, 1861. He had been a resident of Truckee for the past two years.

Completion of funeral arrangements were awaiting locating of surviving relatives.

Parsons Return for Duty With Forest Service Here

Harry and Hester Parsons have returned to take up their duties with the Truckee District of the Tahoe National Forest. Mrs. Parsons, a widely known journalist and author, will return to her station as lookout at Martis Peak and her husband will resume his duties as horse patrolman in the Brockway Summit area.

The Parsons own a ranch in Florida but spend much of their time traveling, having recently completed a 1700-mile horse trail ride over the Appalachian Mountains.

They have been working here the past three summers.

Tahoe-Truckee High Joins Foothill League

GRASS VALLEY— Tahoe-Truckee High School was admitted as a member of the Sierra Foothill League at a league meeting this week at Marysville. The new member will not compete on a team basis in competitive basis, however, but will play free lance and exhibition contests.

Regional Forester Due To Try For Trout

Clair Hendee of San Francisco, regional forester for the California district, was expected here this week with his 14 year old son to spend a short time with local officials of the Tahoe National Forest and incidentally do a bit of fishing. He will be the guest of Ranger E. E. Boehm and Fire Control Officer William Curran.

Soda Springers Injured In Collision on Bridge

Helen K. McCarty and Richard R. DeCamp, both of Soda Springs, are recovering from injuries suffered May 7 when cars driven by John R. McCarty and H. A. Wittich of Colfax collided on Donner Bridge. Wittich was cited for being on the wrong side of the highway by State Patrolman Roy Stallard.

HELLER IMPROVED

Charles R. Heller, well known Truckee merchant who was taken to a Reno hospital Monday night with a severe attack of virus pneumonia, was reported today to be well on the road to recovery and was expected home soon.

Scouts Of Area Join For Camp Program Here

The Tahoe-Truckee District of the Tahoe Area Council, Boy Scouts, held the first district camporette last weekend at First Meadow on Upper Sage Hen Creek with 35 Boy Scouts and Explorers of two Boy Scout Troops and one Explorer Post participating.

The units present were Troop 7 of Truckee with Scoutmaster William Bottel in charge, Troop 31 of Kings Beach with Scoutmaster George Rutledge and Assistant Scoutmaster W. D. Hall as leades, and Post 7 of Truckee, under leadership of Howard Painter, senior crew leader. Also present at the camp was Del Raby, Scout field executive for the council.

The camporette is an overnight camping experience of Boy Scout troops of the district to demonstrate the camping skills of each troop. It enables the troops to practice their new techniques before they participate in the council camporee, where all five districts of the council area will camp on June 2 and 3 at Bree's Dam near Grass Valley.

Evening activities included a campfire program and games under Raby's direction. At the campfire each patrol presented a short skit and entered a representative in a laughing contest. The contest was won by Donald Matson of the Flying Eagle Patrol of Troop 7.

Sunday morning all Scouts and leaders attended a non-sectarian outdoor church service, with thought being given to the 12 parts of the Scout Law.

Under the supervision of W. D. Hall, there was a bridge-building period during which the Scouts demonstrated a foot bridge from native material across the creek.

The camporette site was examined and selected a month ago by Tom Borneman, district camping and activities chairman, and Willie Curran, Troop 7 committeeman.

Boys who participated in the Tahoe-Truckee District Camporette were:

Truckee Troop 7: Jimmie Allen, Eddie Bottel, Wilbur Conyers, Tommy Dolley, Frank Giovannoni, Jimmy Harris, Joe Miller, Donald Matson, Donald Metteer, Kenny Osburn, Ronald Price, Stanley Rasmussen, Eddie Rankin, Glenn Sadocchi, Donald Sites.

Kings Beach Troop 31: Davy Ashton, Carroll Ballard, Jimmy Crawford, Roger Fremeir, Jack Van Hooser, Don Van Hooser, Hugh Van Hooser, Kenneth Lavery, Nolan Little, Buster Mandeville, Jay Mandeville, Dick Mandeville, Dick Rood, Dale Rutledge.

Truckee Explorer Post 7: Charles Cozzi, Howard Painter, Willard Painter, Marvin Parkhurst, Bobbie Tonini.

There were several persons who visited the camporette during the two days including John Street, assistant scoutmaster of Troop 7, and Mrs. Street; Jay Clark, committeeman of Troop 7; Bill Curran, Tom Borneman, Pike Boehm, Mr. and Mrs. Carl Painter, D. H. Sites, Mr. Price and father; Mrs. William Bottel, Mrs. Del Raby and Mrs. L. H. Braasch.

Summit Men Initiated By E Clampus Vitus

The James W. Marshall Chapter of the Ancient and Honorable Order of E Clampus Vitus sounded the hewgag in Placerville Saturday and Sunday.

There were three Clampers and two candidates from Soda Springs attending the celebration. These Clampers were George "Bud" Zorich, Arthur Couillard and Milton Hogle. The initiates were James Sherritt and Tony Donadio.

On Saturday afternoon, the Clampers and a class of 39 initiates clamporaded through the streets of Placerville. In the evening, the Hall of Comparative Ovation, or the initiation, and the banquet took place at Camino.

A plaque was dedicated to Dry Diggins of 1848 (later Hangtown, then Placerville) on Sunday afternoon at the El Dorado County courthouse.

PUBLISHER VISITS

Mr. and Mrs. Malcolm F. Calkins, publishers of the Waterford News in the San Joaquin Valley, visited here last week. Calkins was a resident here when a young man, his father having been associated in the Calkins Syndicate of newspapers.

Funeral Saturday For Leo Mitchell, Veteran Of S. P.

Native of Verdi, Deceased Retired as Conductor In May, 1946

Mass for Leo W. Mitchell, 70, widely known Truckee resident, who expired at the S. P. Hospital in San Francisco at 4:45 a.m. on Tuesday, will be celebrated at St. Francis Catholic Church, 26th and K Streets, in Sacramento, Saturday morning at 10 o'clock. Interment will be in St. Mary's Lawn. Rosary will be held at Gormley & Sons Chapel Friday at 8 p.m.

Mitchell, who retired as a senior passenger conductor for the Southern Pacific on May 9, 1946, had been in ill health for some time and was taken to the hospital Monday.

A native of Verdi, Nevada, Mitch, as he was known by his scores of friends, spent more than 40 years with the railroad and often served in an official capacity for the company. Since his retirement he has made his home in Truckee.

He is survived by two brothers, Mart W. Mitchell of Verdi and Delbert Mitchell of Sacramento. His three sisters are Grace of San Francisco, Mrs. J. D. Lothrop of Sacramento and Mrs. Margaret Lohymer of Oakland.

Mitchell had earned the regard of his legion of friends and associates who will miss his friendly greetings.

MEMORIAL DAY RITES PLANNED BY LEGION POST

Truckee Post 439, American Legion, will again conduct Memorial Day services here next Wednesday morning. Members of the squad and all other members of the post who are able to attend are asked to meet at the fire house at 10 a.m. May 30.

Commander H. L. Owens announced that the uniform of the day will be Legion caps, white shirts and dark trousers. From the fire house, the group will proceed to the Truckee Cemetery where the brief memorial rites will be conducted.

Truckee Youths Play In Accordion Recital

Robert Tonini and Charles Cozzi, Truckee youths, were featured as an accordion duet in a recent recital at the Church of the Little Flower in Reno. More than 50 students of Nello Gonfiantini, Reno accordion master, were presented and applauded by nearly 250 parents and friends who attended the recital.

Scouting Mates Share Birthday Observance

Honoring their son Eddie's birthday May 14, Mr. and Mrs. William Bottel entertained with a spaghetti dinner Thursday evening, May 17. Boy Scout Troop No. 7 were the invited guests. After dinner the troop held their regular Scout meeting, after which all attended the Donner Theater.

Those invited included Wilbur Conyers, Ray Brown, Tommy Dolley, Frankie Giovannoni, Jimmy Harris, Donald Matson, Donald Metteer, Joe Miller, Kenny Osburn, Ronald Price, Eddie Rankin, Donald Sites, Stanley Rasmussen, Glenn Sadocchi, Aaron Thomas, and Lynnie Bottel.

Snow Markers Stolen From Local Cemetery

Fifteen 4 by 4 redwood poles used as snow markers at the Truckee cemetery were stolen recently, according to F. A. Titus, director of the Truckee Cemetery District. The poles are valued at $1.25 each. Constable N. F. Dolley was notified and is conducting an investigation.

Dinner Party—

Mr. and Mrs. Raymond Scott entertained friends at a dinner party Saturday evening.

Bowers Here—

Mr. and Mrs. Robert Bowers and daughter Kristina of Reno visited Mr. and Mrs. G. Gini and local friends Sunday evening.

Sun Beams

by Walter M. Barrett

For some of the tens of thousands of young Americans now preparing to graduate from high schools and colleges it is the final goodbye to the relatively carefree life of the classroom. For others, especially those finishing high school, it's a matter of choice whether to go to higher learning or to enter the business world. The temptation is strong to skip further schooling and take advantage of the well paying jobs created by the rearmament program. But however attractive the immediate gains might be in taking a permanent position, the high school graduate should weigh the long range factors too. In this day of specialization the fellow who cuts short his formal education may find his opportunities cut short as well, unless he has unusual talents. Economic necessiy in some instances, of course, dictates the pattern. Too much cannot be done to encourage youngsters to continue their studies and make it financially possible. Higher education alone will not make a man successful. It's what he does with his training that counts. But all things being equal, the fellow who knows the most has the best chance of getting to the top. We recommend that for the consideration of every high school graduate.

ACTION DEFERRED ON SHORT-CUT AT HIGHWAY SESSION

Although discussions were held relative to having the state absorb the Brockway-Truckee cutoff into the highway system of the state, no definite recommendation was made at the meeting of highway officials, state chamber of commerce committeemen and local representatives at Tahoe Inn last night.

R. C. Kennedy, secretary of the California Highway Commission, discussed various proposed projects but suggested legislation be proposed to solve the cutoff problem. The bridging of the mouth of Emerald Bay was accepted as a probable project but other local recommendations were not considered.

Supervisor H. G. Loehr, Reg Smart, president of the Truckee Chamber of Commerce, R. N. Little and A. B. Polyanich attended from Truckee.

TAHOE DISTRICT LIONS CLUB BEING STARTED TONIGHT

Plans for the organization of the Lake Tahoe Lions Club will be completed at a dinner meeting to be held tonight at 7 o'clock at Tahoe Inn.

Approximately 25 potential members have signified their intention of joining and Dr. Cy Kerrin, North Donner Zone chairman from Roseville, Robert K. Titus, district governor of Sacramento, and officers and members of the Roseville Club will be on hand to assist in the organization details.

The club plans to embrace the North Tahoe area and will function under a charter from Lions International. At the present time a number of Lake Tahoe business men are associated with the Truckee Lions Club.

Homewood Resort Staff Starts Seasonal Return

HOMEWOOD— Don Huff, manager of Homewood Resort, reports the return for the summer season of Miss Edith Charlesworth of Twenty-Nine Palms, who is social hostess at the resort and well known throughout the region.

Also back on the job is Al Alberda, gardener at Homewood Resort, who is starting his 13th season as keeper of the flowers and gardens at the attractive center.

Return to Truckee—

Mr. and Mrs. David Bolender and children who have been living in Fresno have returned to Truckee to make their home.

Family from Auburn—

Mr. and Mrs. Al Ring and daughter Yvonne were weekend guests of Richard Joseph.

University Plans Study Station In Sagehen Area

Nearby Site Selected as Ideal Following Survey Of State

Guerdon Ellis, supervisor of the Tahoe National Forest, has announced that the U. S. Forest Service and the University of California have entered into a cooperative agreement under which certain national forest lands in the Sagehen Creek drainage will be used for field studies by the university's zoology department. Studies will be of wildlife and fisheries. The new, permanent field station's location will be approximately seven miles north of Truckee.

Dr. Paul R. Needham, professor of zoology at the university, states that a high priority in studies will be those of factors limiting winter survival of trout. Various and extensive stream improvement measures will be undertaken, along with studies of resulting changes in fish production. Numerous facilities are needed for making accurate records of trout populations. Among many other projects it is also intended to test the long-time adaptability of artificially reared trout to natural conditions, since Dr. Needham says studies already indicate that relatively few planted fish surviving the first fishing season go through the following winter to reproduce.

Various methods of rearing fish in specially constructed hatcheries will be put in effect in order to compare survivals subsequent to planting.

The area has been selected from many throughout California as ideal in meeting the university's requirements for a permanent field station of this type. Ellis and Howard Smith of Nevada City and Fred Cronemiller of San Francisco accompanied Dr. Needham on a ski trip last winter in a final examination of the area under snow conditions. Ranger E. E. Boehm of Truckee and Smith will meet on the ground this month with university representatives in planning on locations for permanent and temporary structures.

20-30 CLUB PLEDGES ALL-OUT SUPPORT FOR BLOOD BANK

Members of the Truckee 20-30 Club last night agreed to turn out 100 per cent for the blood bank truck which will be here June 12.

This was decided at last night's meeting at Cozzi's.

Al Koolhof was inducted as a new member and the club voted to start softball practice immediately. Jack Ellis, Paul Archer and Harvey Hocker reported on the spring convention held at Bishop May 19 and 20 and it was revealed that Hocker has been named district deputy governor for the northern Nevada district.

LUCAS RETAINS SCHOOL BOARD SEAT; VOTE LIGHT

In one of the lightest votes on record and Truckee casting a total of nine in the six hours the polls were open, Thomas Lucas of Kings Beach were reelected a director of the Tahoe-Truckee Unified School District last Friday.

There was no opposition to the only candidate and little interest was exemplified. The governing board canvassed the votes Tuesday and the results from the five precincts were as follows: Kings Beach, 39; Tahoe City, 13; Truckee 9; Floriston, 6; Donner Summit, 16, all for Lucas. There were 86 votes cast, H. C. Savage and C. Felesina of Floriston dividing three.

Supper, Theater Party Given Barbara Brown

Barbara Brown, daughter of Mr. and Mrs. M. E. Brown, celebrated her 11th birthday with a supper and theater party Tuesday evening, May 22. Ten of her young friends joined Barbara for supper at Brown's Sandwich Shop and then attended the Donner Theater.

James Garibaldi has left Truckee to live at San Mateo.

Stage Is Set For Presentation Of Gay 90's Revue

After weeks of planning and practice, the stage is all set for presentation of the Wyethia Women's Club's Gay 90's Revue, to be held at Capitol Hall Friday and Saturday evenings.

The program, which is published complete on another page of the Sierra Sun today, holds the names of more than a score of local thespians who are contributing their talents to the show.

The Gay 90's Revue was produced and directed by Mrs. Gladys Pedley and is being sponsored by the Wyethia Club in cooperation with the Truckee 20-30 Club.

Advance ticket sales indicate capacity audiences will witness both performances.

PLEA GOES OUT FOR PLAYERS ON BASEBALL SQUAD

Manager N. F. Dolley of the Truckee baseball club has extended an invitation to every baseball player in the district to join in the practice sessions each Tuesday and Friday evenings at the ball park. He said the team is short of material and is anxious to enlist new players.

There is no game scheduled for the immediate future but as soon as an organization is complete a number of contests will be arranged.

In the meantime, Dolley said the club will greatly appreciate it if the person who "borrowed" the roller at the ball park will return it immediately. A lot of work is being done to get the field in shape and the roller is needed.

BOARD LOWERS SIGHTS IN BID FOR SALARY BOOST

The Nevada County board of supervisors at their last meeting asked the state legislature for an increase in supervisors' salaries to $3000 a year, shaving $600 off the original request which recently drew opposition from some quarters.

The vote for an increase was passed three to two with Supervisors Guy N. Robinson and J. C. Coughlin opposing the increase and H. G. Loehr, C. J. Tobiassen and Frank Rowe favoring. The current salary is only $2200 a year.

The resolution also asked increases to $1800 for the county auditor, who draws a separate salary as county clerk, and a raise from $3100 to $6000 annually for the district attorney.

Other salary increases for county employees were being considerand include $2000 for the Truckee justice of the peace.

The supervisors, pointing out elected officers have not had an increase for years, are considering larger salaries for them. The largest jump tentatively agreed upon would give the sheriff $5,000 instead of $3420. Other figures considered are $4500 each for the assessor and treasurer-tax collector, $4220 for the recorder and $3620 for the county clerk.

HIGH SCHOOL GIRLS GUESTS AT DINNER WITH LIONS CLUB

More than 80 members and guests, including the girls of the Tahoe-Truckee High School, last night attended the Father and Daughter night program of the Truckee Lions Club at Donner Lake Lodge.

The speaker for the event was Dr. E. E. Wittwer, head of the agricultural department of the University of Nevada, who gave an interesting and educational lecture. The high school glee club trio, Toni Street, Mary Boyce and Dorene Quam, sang. Robert Gifford presided.

CHAMBER MEETING

A dinner meeting of the directors of the Truckee Chamber of Commerce will be held tonight at 7 p.m. at Goodfellows Coffee Shop. The highway committee will report on the meeting held last night at Lake Tahoe.

Mr. and Mrs. James Dugan of San Francisco will be guests of Mr. and Mrs. Ernie Dugan this weekend.

Fire Warning Is Issued As Fish Season To Open

Trout Season Throughout Region to Begin Saturday

Go you forth Saturday, on opening day, oh, Isaac, with optimism in your heart, and colored flies pincushioned in your old bonnet. And when you homeward return, may your heart be light in spite of your sunburn and mosquito-inflicted wounds; your creel heavy with a goodly share of valiant beauties, bearing witness to your prowess.

But, warns Forest Supervisor Guerdon Ellis of the Tahoe National Forest, let not your absorbtion in your quest render you oblivious to the need for care with fire.

The state division of fish and game reminds California sportsmen of the following general regulations which apply to current fishing:

TROUT: Opens May 26 in waters of Del Norte, Mariposa, Tuolumne, Alpine, Calaveras, Amador, El Dorado, Placer, Nevada, Sierra, Plumas, Lassen and Modoc counties, and in waters tributary to Pacific on coast of Humboldt County. Open elsewhere with local exceptions. Bag limits: 15 trout, salmon or whitefish, but not more than 10 pounds.

With the object of providing people who visit the Tahoe National Forest with every reasonable opportunity to safely enjoy their pipe or cigarette, newly enacted and liberalized county ordinances will be in effect in the Forest this year.

These new ordinances in effect in Nevada, Placer and Sierra Counties are essentially uniform. They provide that:

1. **You may smoke** in an automobile or other vehicle on any road.

2. **You may smoke** in the Forest providing you are stopped within a cleared or barren area at least three feet in diameter, providing smoking substances are completely extnguished before being discarded.

3. **You may smoke** in established camps and at places of habitation.

4. **It is illegal to smoke** while in motion on foot, cycle or domestic animal in the Forest.

5. **It is illegal to smoke** in areas which, because of extreme fire hazard, are specifically posted to prohibit smoking.

State fire laws require that:

You do not throw any burning substance from an automobile or other vehicle.

You secure a campfire permit before lighting or maintaining a camp or warming fire on National Forest land. If you plan to maintain a campfire on privately-owned land you must have a written permit from the owner thereof.

Service Station Robbery Clues Studied by Officer

One successful and one unsuccessful attempt to rob service stations here during the weekend were reported to Constable N. F. Dolley.

Bruce Kuehn of the Associated station at the Tahoe Wye said $15 was missing from his station after a thief jimmied a door on the lubrication room and went through a window into the office. Dolley said he is checking fingerprints in hopes of identifying the culprit.

The robbery occurred Tuesday night and previously Osburn's Associated Station on Main Street reported a window broken as thieves attempted to enter the place some time between 2 and 6 a.m. daily.

Drunk Driver Fined $200 After Kingvale Accident

Leon F. Canter, 38, North Sacramento, was fined $200 by Justice of the Peace Charles Crowe of Alta on a drunk driving change after his car was involved in an accident Saturday night at Kingvale. State Patrolman William Gautsche said Canter turned his vehicle into the path of the car driven by E. P. Jones of Reno and as a result Mrs. Jones has a broken hand and head injuries.

Recently Wed Couple To Be Feted at Cozzi's

An open house in honor of Mr. and Mrs. Frank L. Titus, recently married, will be held Saturday night at Cozzi's Cafe. Sandwiches will be served and everyone is invited to attend and join in the fun, Charlie Cozzi said.

Mr. and Mrs. Charles Walker and Howard Leamon of Sacramento were Sunday visitors of Mr. and Mrs. Robert Leamon.

North Tahoe

by THELMA BURROUGHS

The North Tahoe Community Club met May 22 at Carpenters Hall in Kings Beach with a 100 per cent plus attendance. Subjects of interest were brought up and discussed. The community club, since its inception, has done more to further the interests of the year'round residents of North Tahoe than any other single organization in the area. It is important to you, as a citizen of north Lake Tahoe, to become affiliated with your community club. Get to know your fellow citizens, keep up with trends and changes that occur in your growing community — and North Tahoe is GROWING!

Bible Study group met Tuesday at the home of Mrs. Anna Blaue in Tahoe Vista. On May 29, WSCS of Kings Beach Community Methodist Church will meet in the home of Mrs. Carroll Rapier. Rev. A. A. Carmitchel will install the following officers: Mrs. J. C. Glunt, president; Mrs. Jack Judy, vice president; Mrs. Harried, secretary, and Mrs. Henry Chanda, treasurer.

Loynd's Kings Beach Drug store is now open and is being managed this season by Walter A. Loynd. The store has been completely stocked for the summer and fall season, and the ever-popular soda fountain is again operating. Loynd will be assisted by Charles W. Fink of Salt Lake City, who is scheduled to arrive in mid-June.

SWANEE'S TAHOE LETTER

Tahoe City, May 21

Dear Tahoeites:

Have just returned from Reno where I enjoyed the observance of my birthday with members of my family. Had a grand dinner at the home of the Bud Mattheusons at Sparks with a yummy birthday cake and all the trimmings. Received many lovely remembrances. Drove over on Sunday and it seemed I met half the motorists of the west leaving Reno after the big Silver Spurs celebration honoring Gregory Peck and party. And right now that acrid odor along the Truckee is caused by the blooming of the choke cherry, a sure sign summer has arrived.

Have additional word from the Carlton O. Valentines, former well known Tahoe residents, who are vacationing in the Hawaiian Islands for the second time, their first sojourn made there 30 years ago. They are finding many changes and wish they could linger longer. Colored postal cards show their hotel, the Naniola, on the shore of Hilo Bay, where breakfast is enjoyed in the gardens under the banyan tree while they feed the mynah birds. Balmy weather was prevailing for their series of hops by plane to the various surrounding islands on a six day tour. They will remain there for six weeks or more before returning to their Costa Mesa home in southern California.

The Barney Morrows arrived from the Newcastle district about May 1 to occupy their home near the Tahoe City golf course entrance and plan to remain all summer. Her brother and sister in law, Mr. and Mrs. Ira Weatherhead, who spent the winter here have gone to Pasadena to visit their son and family. His wife is ill and they will help care for the three little girls, Penny Lee, Janine and Christine.

Tahoe residents certainly welcmed the return of popular restaurateurs Bill and Shirley Conger, who recently enjoyed a well deserved vacation. They announce they now remain open for seven days a week, and will not close on Tuesdays as was their former policy. Open at 7 a.m. and will close at 8 p.m. for the present and the menu, always temptingly delicious, will be even more varied during the summer months. Their specialties are thin buckwheat cakes for breakfast and home made pies and cakes. Quick service is offered at the spacious counter and there are booths for the family. Breakfast is served all day and steaks, chops and fish are available daily. Take the family in soon for a delicious home cooked dinner, breakfast or luncheon!

Am happy to report that Mrs. Blanche Donaldson, recording secretary for the Lake Tahoe Ski Club, has phoned me that a telegram from Chicago has confirmed the awarding of the National Junior Championship Meet to the local club for 1952. The request was presented by the Tahoe club's representative, Kjell Rustad, at the Bakersfield FWSA meeting on May 5-6. This is a distinct triumph for the Lake Tahoe Ski Club and it is hoped that resorts, clubs and other organizations will put their shoulders to the wheel to aid in raising the necessary money which staging of the big meet will require. Hundreds of visitors will be drawn here through its medium and all businesses will profit by the huge influx of people from other states. Also awarded to this area was the next FWSA convention which will be staged at Squaw Valley at a date yet to be announced. Lake Tahoe should make the most of these two events and have all in readiness to spread the hospitality of our western mountain area to the incoming public, many of whom will view our area for the first time in their lives.

Theodore Schlueter and Henry Soll continue to show improvement and their many friends in the region send along their very best wishes for their quick and complete recovery. The Solls, incidentally, now drive a new ash-green Packard.

Greatly enjoyed was the weekend visit made by Pvt. Florence Vernon to her home in Tahoe City over Mothers' Day. Florence likes army life and especially her job as technician in the photo lab 78th Hdq. & Hdq. division at Hamilton Field. She told friends on her visit home that the WAF quarters are most comfortable with two girls assigned to each room, the building containing 47 rooms on two floors. Recreation facilities include such items as swimming pool, badminton and tennis courts, bowling, basketball, baseball and football fields, two theaters and the NCO Club where cocktail lounge, cafeteria, reading room and radio and pool help to while away the hours. There's dancing to name bands every Saturday night and for the gals there's also a big modern laundry close by with automatic washers, driers and irons ever handy. Florence is one girl who is slightly sold on the US army and its accommodations.

It's hard for us natives of these backwoods to realize what big city visitors tell us upon returning from vacation, that many of the largest movie houses of the west are closing their doors, all because of the advent of television. The A. M. Henrys of Tahoe City found this condition existing in Rosemead, where they visited, and in Oakland and Los Angeles. The L. A. situation was confirmed by Mrs. Bud Scott of Carnelian Bay who said in the City of the Angels that two long, first rate features were offered, along with shorts, and still only a handful of people were in attendance.

Mrs. Jack Starratt returned to the family's home in Tahoe City on Tuesday from St. Mary's Hospital in Reno with their first child, wee Elizabeth Anne, born there May 15. Both mother and baby are reported getting along nicely. Understand Betty's folks are arriving to aid in caring for the household and baby. Grandmother Anne Anderson, who had been reported on the sick list for several days now, also will be most happy to tender her services when needed. Vi Pomin and Jean Henry are credited with dolling up the entrance of the Village Store with cartoons and pink ribbon streamers on Tuesday morning after the little lady's arrival, and proud father, Jack, passed out cigars like a veteran.

Mrs. Royal Stark of Sacramento, sister of Joe Henry of Tahoe City, with her husband visited the Henry home over a recent weekend. Their daughter, Cpl. Bernice Stark, is stationed at Hamilton Field also.

There was no regular meeting of the Placer County board of health last Monday for Mrs. Marie Henry as director of the group, Dr. Saul Ruby, attended a state health meeting in Los Angeles and was absent from Auburn. Mrs. Henry, who is chairman of the Tahoe City area for the American Cancer Association, this week has received the literature for the cancer drive and will post it at the various post offices. Members of the Women's Club of Tahoe, who met last Thursday in Community Hall, assisted in the addressing and mailing of the liteature which accompanies the annual drive. Mrs. Henry will appreciate any contribution made to this ever worthy cause. Checks may be mailed to the American Cancer Society to her at Tahoe City. Your money will permit research to aid in finding the cause of cancer, and will afford better diagnosis, better surgical and radiation techniques and more merciful medication for the hopelessly ill. Do your part today!

Verne Daniels has returned Tahoe City for the season and is employed by Contractor Martin Spitsen. His wife, Celeste, was due to return last weekend from Auburn and will operate the sandwich shop at the Ben Callenders' resort at Homewood for the summer.

A fire drill was held last week for members of the Tahoe City Volunteer Fire Department under the direction of Chief Al Henry Jr. While the boys all turned out in excellent order, there was some difficulty regarding the spectators who accompanied the machines to the scene of the fire, an old shack which was burned in back of the former CC camp above the golf lnks. Chief Henry asks that in the future when a drill is held, or when an actual fire occurs, the public refrain from crowding the highways with vehicles and from standing about the scene of the fire until the firemen can reach the spot and have sufficient working space. He declares there is a law which forbids the following of an official too closely. During the last drill emergency vehicle, or fire truck, youngsters on bikes and dozens of spectators cluttered the scenery and practically nullified the effectiveness of the drill.

Socially prominent Mrs. Pullman Lowden of Coronado and family have rented from June to September the Dollar Hill-top house of Col. and Mrs. A. P. Crist. Tahoe Realty handled the rental.

Mrs. Marie Henry reports notice has been received of the regular Placer County employees' spring frolic which this year will be held June 9 at 9 p.m. at the Veterans' Memorial Building in Auburn. Dancing, prizes and refreshments will be enjoyed, and the public is invited to attend.

Bud Scott's luxurious, model 1951 express cruiser, which will be named the Tahoe, left Seattle on Monday by rail and should arrive in Reno by the weekend. It will be transferred to a lowbed truck and brought up to Tahoe Boat Company where Oscar Quam of Tahoe City will complete the interior finishing Scott wishes done. Launching of this beautiful, sleek white craft will be officially held some time in June, at which time real celebration will be scheduled. The boat will be stationed at the Tahoe Tavern pier and will make daily trips around the lake, leaving Tahoe City pier around 8:45 a.m. The round-the-lake trip will take 4½ hours and 11 stops will be made at principal resorts. For six seasons Scott, managing owner of the Lake Tahoe Boat Service, has planned the addition of the cruiser to

Re-routing Long Distance circuits—one of the many interesting, vital jobs for women in the telephone business.

THE GIRLS BEHIND EACH TELEPHONE "HELLO"

Theirs are important jobs—and they do them well

1. **Here's one business** where the spotlight's really on women. Because of the nature of telephone work, nearly two out of every three telephone people are women—a high percentage. And they must be capable, well-trained women to handle your calls efficiently and serve you well in our offices. We train them, at our expense of course. And they earn good money in this important work.

2. **Practically every sort of job**—from accounting to teaching—can be found in our business. In addition to good pay, the girls have the security of the company-paid Benefit Plan and enjoy holidays and vacations with pay. All know they have a good chance to advance as their ability grows. Perhaps the best evidence of the importance of women to us is that hundreds have management jobs.

3. **It would be hard to imagine** work for women today more important than a job in our nation's telephone service. For now, more than ever, our country needs swift, reliable communications to help speed the job of defense. And it's reassuring to know that in these days of high prices on most everything, you still get a bargain when you buy telephone service. Here in the West, on the average, telephone rates are up less than half as much as the cost of living.

Your telephone is one of today's best bargains

STATE SMOKES TAX IS STILL ALIVE, FACES TOUGH GOING

by HENRY C. MacARTHUR

SACRAMENTO —(C. N. S.)— While California residents, in all probability, face little chance of paying an additional three cents a package for cigarette, the measure proposing the assessment for schools is still before the legislature, and a long way from being dead.

Thursday night (May 24) the assembly committee on revenue and taxation is scheduled to hold a hearing on the advisability of putting the tax on probably the most popular commodity in point of sales in the state.

The proposed cigarette tax is wound up with Assemblyman Francis Dunn's bill providing for an increased state school apportionment, and has been tacked onto that measure as a rider to pay the extra tariff.

The assembly itself voted approval of the amendment carrying the tax to Dunn's bill, but the vote on the amendment can't be construed as a vote for the bill. For there is much sentiment among legislators to the effect that the schools are getting enough money at the present time, and some investigation, on an unbiased basis, should be made to determine just what the needs of the schools really are.

Such information cannot be obtained from the high powered battery of school lobbyists who invade Sacramento at the beginning of the legislature and stay until the last bill is passed. It can't be said these lobbyists are actually supported out of public funds, but the money that pays the bill originated from the taxpayers' pockets, in that teachers throughout the state are footing the bill.

The needs of the schools, as outlined by this group, of course, are for all the traffic will bear.

The feeling among some legislators is that the revenue and taxation committee hearing should go into a determination of how much Dunn's school bill will cost, and also into the projected surplus the state is expected to have at the close of the budget fiscal year.

The surplus estimates have been varied, starting with two million dollars. However, late information indicates it may reach from between fifty to sixty million, depending on the way sales in California hold up. Revenues are swollen at the present time, but whether they will keep on that way is another question.

There is also the thought that some members of the committee hold—once the appropriation for the schools has been increased, there would be no such thing as reducing it, even if revenues from the state sales tax, or any other tax, warranted such a reduction. Once the appropriation is in effect it is there to stay, and nothing short of complete bankruptcy could dislodge such an appropriation.

Again, the federal government proposes an additional cent tax on cigarettes, which helps make the proposed three cent tax in this state even more unpalatable.

But if convinced the state's surplus will run as high as fifty million, the committee may approve the tax, which would mean a fight on the floor of the house.

The state senate, however, will have no stomach for the tax. It has not recommended any new taxes, and leaders in the upper house are convinced that it won't, not at least, at this session of the legislature.

HIGHWAY USERS ARE WARNED OF THREAT TO STATE'S FORESTS

SACRAMENTO— To guard against disastrous forest fires, the California Highway Patrol has asked motorists and all users of the highways to use extreme care in disposing of lighted matches, cigar or cigaret stubs and tobacco ashes.

Pointing out that dry weather will soon prevail throughout the state with subsequent forest fire hazards, the patrol said:

"If you are riding in a car, use your ash tray. If you are walking or hiking, make certain that your discarded matches, cigarets or cigars are out."

Throwing lighted substances from vehicles on the highways and public or private roads, outside of business or residential districts, is against the law, the Patrol pointed out, and violators will be cited.

You can't place a price tag on good eyesight. There isn't that much money in the world. But there is a price tag, and a mighty small one at that, on one of the greatest safeguards to good eyesight — electricity.

An abundance of electrical lighting takes that strain off your eyes when reading or writing. It enables you to enjoy your evenings at home doing the things you like to do most. Be sure your home has lots of electrical lights.

TAHOE-TRUCKEE HI TO TAKE PART IN SCHOOL STUDY PLAN

Dr. Wilson Little, professor of education at Oklahoma Agricultural and Mechanical College, has accepted the position of director of the regional project in secondary education. The appointment was announced by Dr. James M. Bradfield, chairman of the project's advisory board. Dr. Little will have his headquarters at Sacramento State College, effective September 1.

The director's position has been made possible through a $14,000 grant from the Rosenberg Foundation of San Francisco. Educational agencies and associations, offices of county school superintendents and high schools concerned with secondary education in northern California are sponsoring the project.

E. V. O'Rourke, superintendent of the Tahoe-Truckee High School, has notified the propject chairman that the school will participate in the study.

Dr. Little has had extensive experience as teacher, curriculum director and administrator on the elementary, secondary, college and university levels. At present, he is on leave of absence from the Oklahoma college to do research at the University of Wisconsin.

Tahoe Weather Reported Clear and Warmer

TAHOE CITY— Weather at Lake Tahoe has been clear and warm since a slight shower on May 17 which left .01 of an inch precipitation, bring the total to .09 for the period May 14-21.

Hundreds of spring flowers will be displayed around the dance floor. Roy Stenmark and the entertainment committee are handling the arrangements for the affair.

MARY BOYCE WINS HIGH AWARD FOR ART ACHIEVEMENT

Mary Boyce, senior student at Tahoe-Truckee High School, last Friday night won a fourth place award for scholastic proficiency and leadership at the Bank of America Achievement Awards finals in Sacramento. Miss Boyce, who makes her home in Kings Beach and who competed in the fine arts division, was awarded $100.

Three students from western Nevada County also received awards. They are Phyllis J. Penaluna, $500 second place in vocational arts, Grass Valley; Wayne Thiessen, $50 fifth place in science and mathematics, Nevada City; Lonnette S. Winney, $50 award in liberal arts, Grass Valley.

The 36 students who participated in the day-long judgings had previously won zone events in 39 counties of northern California. The selection of winners to share $8400 prize money donated by the bank was based on "achievement in school and promise of future success and service to society."

The awards were divided into four general classifications—fine arts, liberal arts, science and mathematics and vocational arts. Each division had awards of $1000, $500, $250, $100 and four $50 a piece.

Presentation of the awards was made at a banquet at which Dr. Robert E. Burns, president of the College of the Pacific was principal speaker. Dr. Burns advised the students that "with the possible exception of facing the threat of a communist world, the greatest single fact of your mature life will be your adjustment to the constantly expanding California scene." He added that the youth of today will inherit the task of solving California's most pressing problems, "because they are long range problems, and the adults will not live long enough."

The presentations were made on behalf of the bank by the senior vice chairman of the board of directors, Fred A. Ferroggiaro. S. Clark Bese, executive vice presidetn, was chairman at the ceremonies. The judges' board was composed of seven prominent educators and civic leaders under the chairmanship of F. Melvyn Lawson, deputy superintendent of Sacramento Unified School District.

Here's something Special in Spaciousness

A LOT of folks like the two-door idea, because they feel that tiny tots are safer in the back seat.

But that's no reason why back-seat headroom should be dimensioned for midgets only.

So Buick engineers have done something about it, in the Buick SPECIAL 2-door Sedan pictured here.

They've kept the compactness of over-all length that's important in modern garages.

But they've arched that sturdy steel top to give you he-man headroom—headroom in back as well as headroom in front—that makes a six-footer feel at home.

And they've designed a trunk that has "room for tourists."

Don't ask us how they did it. Come see for yourself.

Slip into those spacious seats—and while you're there, find out why this compact honey is one of the hottest numbers we've seen in years.

Find out how that F-263 valve-in-head Fireball Engine pours out the power and stretches the miles per gallon.

Find out how Buick's exclusive combination of torque-tube drive and coil springs on all four wheels puts big-car steadiness and stability into this nimble performer.

Find out how Dynaflow Drive* takes the strain out of traffic driving—and brings you relaxed to the end of a long day's cross-country driving.

And above all find out how much comfort and luxury and convenience you get for the prices you see featured here. The sooner you see your Buick dealer—the better off you'll be.

BOB STARK NAMED SCOUTMASTER OF TAHOE TROOP 27

TAHOE CITY— Bob Stark of Tahoe City is the new scoutmaster of Tahoe City Boy Scout Troop 27. He succeeds Stanley Martin who aided in organizing the troop here and served as scoutmaster for several years. Stark is being assisted by Clarence Beavers, U. S. Forest Service employee stationed at Tahoe Park campgrounds.

The group has 14 members at present, all equipped with new uniforms. Senior patrol leader elected at last Thursday's meeting was Gary Anderson; George Kneeland, patrol leader and scribe; Pat Griffith, patrol leader; Don Stark, treasurer. The boys meet every Thursday night at the Tahoe Lake School.

The troop is sponsored by the Tahoe Community Church and committeemen of the new charter are Stanley Martin Sr., J. E. Pomin and Don Painter.

Lester Wilkinson has written from Oakland that the family place at Homewood will be opened during the weekend.

TAHOE-SIERRA ASS'N SETS JUNE 7 AS LUNCHEON DATE

TAHOE CITY— Twelve of the 15 members of the board of trustees of the Lake Tahoe-Sierra Association met on May 15 at the Tahoe Realty Company office in Tahoe City with President Harry Comstock presiding.

It was decided to hold the association's spring luncheon and meeting at Richardson's Resort at noon June 7. Also decided was that the monthly luncheon meetings will take place throughout the summer at the various resorts around the lake on the California and Nevada sides. Speakers and entertainment will be provided to make the meetings more enjoyable.

George Kehlet reported that the fishing season at Tahoe had been extensively advertised during April in Los Angeles and San Francisco newspapers and that during May more advertising will appear in these and other large papers and the next issue of West Ways.

The board is especially anxious to correct a misunderstanding which prevails regarding payment of dues to the association. They declare there are no set dues, with any and all contributions most welcome. They hope their members will feel that as their business expands they will voluntarily increase their contributions. Out of the money collected by the association, only a moderate drawing account is paid out for the secretary, Mrs. H. F. Droste, there being no office expense. Consequently, 90 per cent of the intake is expended directly for advertisin of the lake through many media. Last fall 51,000 folders were ordered printed and these will be distributed to travel agencies all over the United States.

Bill Bechdolt, manager of Tahoe Inn in Tahoe City, has volunteered to rejuvenate the large sign on Highway 40 directing the tourist to Lake Tahoe.

Officers of the association, which now has approximately 170 members, include Harry Comstock, Brockway Hotel, president; vice presidents George Kehlet, Meeks Bay Resort; Mrs. Harriett Craven, Fallen Leaf Lodge; Al Richardson, Richardson's Camp; Dave Chambers, Chambers' Lodge, treasurer: Mrs. Henry Droste, Tahoe Realty, secretary; and directors Will Bliss, Glenbrook; Harry Wylie, Zephyr Cove; E. H. Pomin, Tahoe Park Cottages; Fred Main, Tahoe Boat Co.; Don Huff, Homewood Hotel; Bill Bechdolt, Tahoe Inn, and Jack Dempsey, Pinecrest Resort.

his fleet which has served lake residents and visitors with charter trips, water skiing facilities and scenic runs. The craft is 43 feet long and was designed by William Garden, leading marine architect of Seattle. The Tahoe is powered with a Hall Scott 12 cylinder Defender 630 HP marine engine and has a top sea level speed of 44 miles per hour, which allows a cruising speed of 26 knots at the lake in order to meet the 72 miles scheduled daily run. Appointments of the boat are luxurious, with two enclosed forward cabins, ship to shore radio, lounge, snack bar and every convenience for the 25 passengers the Coast Guard has licensed it to carry. Ten persons can be seated comfortably on the large sun deck aft and all in all the Tahoe is expected to bring back to the lake some of the glamour and romance which disappeared when the original steamer Tahoe was sunk in the middle of the lake by its sentimental owners, the Bliss family, after the mail contract around the lake was lost to a lower bidder and cost of operatinn of the big boat proved prohibitive.

Important to new home builders in the Lake Tahoe area is the edict from the Placer County health department. Builders are required to secure information from the department before installing sewage disposal systems. FHA, bank and veterans loan agencies requires health department approval when home loans are made. The department cannot give such approval if the installation is made without their knowledge, so see the health department before, not after, installation of sewage disposal systems.

Leave you for another week with the reminder not to forget to send flowers to the graves of your loved ones on May 30, less than a week away. Good luck, good health and God bless you all, as ever, Swanee.

AIR EXCURSIONS TO TAHOE ARE PROPOSED

GLENBROOK— Officials of the were elected to the county hiholon Lake Tahoe-Sierra Association and the Bonanza Airlines held a hastily called meeting here Tuesday to discuss and approve a proposal presented by Michael Cole, president of the airlines, that organized excursions to Lake Tahoe from the various company terminals be sponsored.

President Harry Comstock, George Kehlet of Meeks Bay, Mrs. H. F. Droste, secretary, of Tahoe City and Will Bliss of Glenbrook represented the association and promised all possible cooperation and assistance in arranging the all-expense excursions from the 10 terminals maintained by the company at Carson City, Hawthorne, Kingman, Las Vegas, Minden, Phoenix, Prescott, Tonapah and San Francisco.

Cole will present his plan more thoroughly at the association's first meeting for the season at Camp Richardson June 7 at a luncheon.

The airline officials suggested that all Tahoe resorts send folders and photographs to his company so they may be placed with travel agencies and Mrs. Droste said she would serve as a clearing agency, the resorts giving or mailing this literature to her and she will forward it as requested to company offices.

Kehlet pointed out that the association would lend all possible assistance to this plan as well as others which will benefit the lake as a whole. He said that 90 per cent of the money raised through the association goes to promoting the lake generally, with only a small amount paid to the secretary who provides free office and telephone for the benefit of members.

Emphasis was placed on air excursions for the off-season months of May, June, September and October, when the lake has much to offer and is not at the height of the summer season. Winter trips were also discussed. Planes would land at Minden and the excursionists would be transported from there to any desired place on the lake under the prepared schedule.

Sierra Pioneer Passes In Auburn Hospital

AUBURN— Mrs. Hattie Bassett Crabtree, 79, well known Placer County resident for many years, passed away at a local hospital on Tuesday afternoon. She suffered a fall a her home here a month ago and had been confinde to the hospital since that time.

A native of Downieville in 1871, she spent her early life at Bassett Station above Sierra City.

She moved to Penryn in 1912 and was active in the affairs of that community for 33 years, taking a leading part in the organization of the Penryn lighting district and the Penryn fire department. Since 1945 Mrs. Crabtree resided in Auburn. She was a 25-year member and past president of Auburn Parlor, Native Daughters of the Golden West and a member of the Sierra County Pioneers.

Funeral services will be held today in Auburn, cremation following at Sacramento.

Surviving are her husband J. Q. Crabtree, Auburn; a daughter, Mrs. Veta Owen, Penryn; two grandchildren, James Owen and Barbara Toelke, Auburn; and two great-grandchildren, Karen Mallory and Paul Toelke.

TRUCKEE ROTARY HOSTS TRI-CITY MEET AT NYACK

Rotarians from Nevada City and Grass Valley were guests of the Truckee Rotary Club at Nyack Lodge Monday. The president of the Exchange Clubs of California, David E. Peckinpah of Fresno, was speaker for the evening. Children from the Gladies School of Dance, chaperoned by Mrs. Garing McGee, entertained with many interesting dance numbers.

After opening of the meeting, President Jim Sherritt of the Truckee club introduced the master of ceremonies, George Raddue of Grass Valley. Raddue, in turn introduced the program chairman, "Link" Peckinpah of Quincy, past district governor of Rotary.

This annual tri-city meet was attended by guests from Sacramento, North Sacramento, Auburn, Tahoe City, Quincy, Reno, Lincoln and Truckee. Among these visitors were Steve Lombard of North Sacramento, former district governor, and Paul Claiborne of Auburn, past district governor of Rotary and founder of 20-30 service clubs.

Those who attended the meeting from Truckee as guests were Art Leitch, Ray Scott and R. N. Little.

The meeting of the local club May 28 will be at Donner Lake Resort. The guest speaker will be Earl Ross of Reno, as announced by John Ciardella.

Five Generations Attend Party for Clan Patriarch

SODA SPRINGS— All of the Crampton family from Crampton's Lodge were among the 80 relatives who attended the 85th birthday party of Mrs. Crampton's father held at Stockton May 20. Relatives from Antioch, Sacramento, Red Bluff and Stockton were also present.

Among those attending were four children, 11 grandchildren, 19 great-grandchildren and three great-great-grandchildren.

The honored guest was presented with a lawn swing and the refreshments included everything from three turkeys to a six-layer cake. Pictures of the five generations were taken.

Social Security

A representative of the Social Security Administration from Reno will be in Truckee May 28 from 10 to 11:30 a.m. at the Public Utility District office.

Tarzan

by EDGAR RICE BURROUGHS®

TOLD BY THE GIRL TO LEAVE THE AREA OR BECOME A VICTIM OF THE MYSTERIOUS "IT," TARZAN, UNDAUNTED, SET OUT TO PUNISH THE NATIVES WHO WERE TRAPPING THE APES.

SHORTLY, THE MAN WENT LIMP. UNDETECTED BY THE OTHERS, THE APE-MAN SHOULDERED THE BODY AND SPED BACK TO THE TRAP.

-WHERE, ACCORDING TO PLAN, HE HEAVED THE CARCASS TOWARD THE HIDDEN NET!

THE VICTIM'S WEIGHT SPRUNG THE TRAP AND THE TREE SNAPPED UPWARD. THEN TARZAN IMITATED THE CALL OF A CAPTURED APE!

HEARING THE CALL, THE NATIVES RETURNED QUICKLY-- BUT THEIR JOY TURNED TO FEAR WHEN THEY SAW THE MISSING TRAPPER SWINGING LIFELESS IN THEIR OWN NET!

AS THEY FLED, PANIC STRICKEN, TARZAN SILENTLY FOLLOWED. SOON THEY CAME TO A STRANGE, FOREBODING STRUCTURE AND ENTERED, LOCKING THE GATES BEHIND...

THE APE-MAN WAITED. THEN, AS DARKNESS SHADOWED THE OMINOUS BUILDING, HE HEARD A SPINE-TINGLING SCREAM! TARZAN RECALLED THE GIRL'S WARNING:-WAS THAT "IT"?

HEY, THEY'RE GONNA BROADCAST TH' BIG RACE ON TH' RADIO! GUESS I'LL TUNE IN AN' SEE IF I CAN PICK TH' WINNER!

THEY'RE ALMOST TO TH' STARTING GATE! HERE ARE THE ODDS---HOLY COW 6 TO 1, JOLLY JIM 15 TO 1, BULL FIDDLE---

I LIKE 'EM **LONG**! TH' LONGER TH' **BETTER**!

--LITTLE LADY IS 10 TO 1, RASCAL 4 TO 1, MOUSE CATCHER 20 TO 1 AND TARFOOT 100 TO 1!

THAT'S FOR **ME**! 100 TO 1! I'LL CALL BEN SMITH! HE'LL KNOW WHERE I CAN GET IN A BET ON GOOD OL' **TARFOOT**!

YOU'LL DO NO SUCH THING! YOU KNOW I DON'T APPROVE OF GAMBLING!

AW, BLANCHE--- AT 100 TO 1 I CAN'T PASS IT UP! --JUST A COUPLA BUCKS?

THEY ARE GOING INTO THE START-ING GATE!

IF TARFOOT WINS, I'LL GET A DIVORCE!

IT'S HOLY COW BY A HEAD, BULL FIDDLE SECOND BY A LENGTH, RASCAL BY A NOSE AND TARFOOT!

THEY'RE COMING DOWN TO THE LINE OF FINISH---IT'S TARFOOT BY A NECK! **TARFOOT'S THE WINNER!**

YIKE! I KNEW IT, I **KNEW** IT! SEE THIS $20 BILL? I WAS GONNA PUT IT RIGHT ON TARFOOT'S NOSE! AT 100 TO 1 I'D HAVE WON TWO GRAND!

6-27

BUT, **NO**--YOU WOULDN'T LET ME! YOU KNEW **BEST** YOU-YOU-YOU---

THEY'RE TAKING DOWN TARFOOT'S NUMBER! HE'S BEEN DISQUALIFIED AND PLACED OUT OF THE MONEY! HERE'S THE NEW ORDER OF FINISH--
